Completed Form with any associated documents and calculations:

£50 Application Fee and £50 Administration Fee:

Environmental/Ecological Reports:

Method Statement:

The Data Protection Act 1998

The Board will process the information you provide to enable the application to be determined.

The Board may also process or release the information to:

- offer you documents or services relating to environmental matters
- consult the public, public organisations and other organisations (for example, the Health and Safety Executive, local authorities, the emergency services)
- carry out research into environmental issues and develop solutions to problems
- provide information from the public register to anyone who asks
- prevent anyone from breaking environmental law, investigate cases where environmental law may have been broken, and take any action that is needed
- assess whether customers are satisfied with our service and improve it where necessary
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows)

The Board may pass the information on to our agents or representatives acting on our behalf.

By signing below, you are declaring that, as far as you know, the information given in this application, including the map and any supporting documents, is true.

The applicant indemnifies the Board against any claim in respect of injury, damage or loss arising out of the execution of works by the Board (or any person working for the Board) in connection with the watercourse.

Please DO NOT commence work until consent has been issued, unless agreed otherwise with the Board.
