

Capital Works Project Manager

(Salary Range £40,404 - £44,616 + Final Salary Pension Scheme)

The Witham Fourth District Internal Drainage Board covers an area of 40,928 hectares of the Lincolnshire Fens. The Board maintains 702 kilometres of watercourse and are responsible for the operation and maintenance of nine pumping stations.

The Board is a small statutory public body with general powers under the Land Drainage Act 1991 for the supervision over all matters relating to water level management within its District. Further information on the Board can be found here: www.w4idb.co.uk

The Board are seeking to employ a Capital Works Project Manager. Primarily, this role will focus on the planning and delivery of the Board's 15 year Capital Main Drain Dredging programme. However, the successful candidate will be exposed to other significant projects as they develop in this role. This is an excellent opportunity for the right candidate to join a well established team and be involved in some existing projects.

The successful candidate will have a minimum of two years project management experience and have the technical experience and personal skills, knowledge and capability to efficiently fulfil this role.

For more information on this position please download a copy of the candidate information pack here : [Job Vacancies | Witham Fourth District Internal Drainage Board \(w4idb.co.uk\)](http://Job Vacancies | Witham Fourth District Internal Drainage Board (w4idb.co.uk))

For an informal conversation about the role please contact Ed Johnson, Chief Engineer on 01205 310088.

All applications should be received no later than 4pm on Friday 9th May 2025 and addressed to:
